Title 1 Reading is a federally funded program, which provides children with extra help in reading to supplement their classroom reading instruction. It is for children who would benefit from additional reading time in a small group or individual setting. Eligibility for this program is based on performance on a variety of assessments, teacher recommendation, and classroom performance. If you would like more information regarding Title 1 services, our Title 1 teachers, Brenda Hinton and Mary Straub would like to answer any questions you have about the Title 1 program.
