

2013-2014 Label/Receipt Collection Program

We save Box Tops for Education! Our goal last year was \$3500, an increase from \$1500 the year before. We MET IT! Let's do it AGAIN! There are three ways to help here: clip the logos (include the expiration date or else we can't use it) from General Mills products, shop online at Box Tops Marketplace and earn eBoxTops, and register at btfe.com/hero.

We save Campbell's Labels for Education! Our summer collection brought in 50,000 points. We are off to a great start of increasing our yearly total! Clip these from products with the label and include the UPC or else it can't be counted! V8 Splash and V8 vegetable juice also count – just send in a clean bottle lid! REGISTER YOUR DILLON'S card and we get EXTRA POINTS you never give a second thought to! Super easy – register your card at www.elabelsforeducation.com Send confirmation of your registered card to school and your child will get a free prize!

We save Tyson chicken labels!! PLEASE send the top label from all your Tyson products to school! Each one earns us 24 cents! A complete label includes the steps

1-2-3 plus the logo shown to the left.

We save McDonald's receipts! These are based strictly on the NUMBER of receipts and not the amount of your purchase, so EVERY purchase and receipt is important! Receipts can only be accepted from Hays, Russell, WaKeeney, and Colby McDonald's locations.

Your support of these programs is greatly appreciated when school funding is so tight. The Roosevelt website will contain more details on each program and I am also available to answer questions ANYtime! Please don't hesitate to contact me! Becky Rogowski, Label and Receipt Committee Chair, 7856230179 or kstatepurple@gmail.com
